

Tara's Totes

What are Tara's Totes?

Tara's Totes are meant to help people who are dealing with the immediate aftermath of a house fire. A tote will provide the family with necessities that will be essential in the hours and days after they are displaced.

The average cost to assemble a tote is \$100.00. There are three ways you can help:

- Donate money in any amount and once I have \$100.00 I will go put a tote together
- Put together a tote and contact me so I can pick it up
- Each time you go shopping, pick up an item or two from the list
